**APPENDIX L**

**CONFIDENTIALITY AGREEMENT FOR MEDIATION**  
**OF \_\_\_\_\_ MATTER**

In order to promote frank and productive discussion, this neutral-assisted process will be confidential. The parties, their representatives, and the facilitator may not disclose information regarding the negotiations, including settlement terms, proposals, offers, or other written or oral statements made during the negotiations or in materials relating to the facilitated discussion circulated among the parties prior to the in-person discussion, to third parties, unless all parties otherwise agree. The facilitated process shall be treated as compromise negotiations under Rule 408 of the Federal Rules of Evidence and applicable state rules of evidence. The facilitator shall not appear as a witness, either by subpoena of a party to these discussions or voluntarily, or participate as a consultant or expert, in any pending or future judicial or administrative action or proceeding relating to any matters discussed in these negotiations.
